Resource Library General Use Policy

1. Students must present valid Clark ID to use material from the resource library.

2. Items in the resource library are non-circulating unless otherwise indicated (for example, some print materials). Faculty and staff members may borrow items for research purposes only.

3. Students may only use one item at a time.

4. The use of food and/or drink around library equipment is not permitted unless properly contained.

5. The resource library is a shared space frequently used by many students. Please respect all equipment, including headphones, countertops and chairs. Please be courteous and do not disturb other library users.

6. All library users must respect university copyright compliance policy. For more details please visit the resource library website or consult a library staff member.

7. Library services end 15 minutes before close. Please plan your viewing time accordingly.
