**Challenge Convention. Change Our World.**

“Challenge convention. Change our world.” is much more than Clark University’s motto; it’s a rallying cry that inspires our community every day. We are a community of creative thinkers eager to challenge conventional wisdom, devise innovative solutions to complex problems, and roll up our sleeves to get things done.
This is an exciting time to work at the juncture of a student’s educational journey and their connection to the global economy. Our interconnected world demands innovation, resilience, and the ability to tackle complex problems; this is a reality that informs Clark’s belief in the enduring value of a liberal arts education, and our university’s pioneering efforts to connect students’ learning experiences with the changes underway in our economy and society.

By combining a comprehensive academic model with experiential learning opportunities, Clark students graduate ready to build lives and careers of consequence. Our students are diverse, multidisciplinary, and passionate, enabling them to thrive as problem solvers, communicators, and collaborators in your organization.

To support their success, Clark continually invests in connecting students to professional networks that add value to their college education. ClarkCONNECT, a platform that provides students with unprecedented access to alumni, faculty, and parent mentors, has increased access to industry guidance, job and internship opportunities, and mentorship between students and the broader Clark community in just a year.

Clark is making headlines for our commitment to foster career success and satisfaction. The Princeton Review’s “Colleges that Pay You Back” (2018) ranks Clark No. 11 on the list of schools for “Making an Impact,” because our students report they are encouraged to continuously connect their academics to “something bigger and more meaningful.”

We invite you to meet the talented students and alumni who are ready to contribute to your organization and to the world. When you engage with Clark, you will work with a dedicated relationship manager who will help your team design a customized and innovative approach to connect with talent and reach your recruitment goals.

At Clark University, our aim is to forge partnerships that link students with opportunity. Thank you for considering us a partner, and for sharing in our mutual goal of supporting students on their journey toward career purpose and success.

Sincerely,

ROSIE GALLANT
Director of Employer Engagement
WHY CLARK

A SMALL UNIVERSITY WITH A BIG IMPACT
Clark combines the intimacy of a small liberal arts college with the research culture and world-class resources of a large institution. We are committed to action-based learning and providing students with superior research opportunities, far more than universities of comparable size, preparing students for complexity, diversity, and change.

MULTIDISCIPLINARY TALENT
Through our pioneering academic model, Liberal Education and Effective Practice (LEEP), we make experiential learning an explicit requirement for our undergraduates. Critical to success in today’s world, students gain relevant capacities including creative thinking, self-directedness, resilience, and the ability to manage diversity and uncertainty.

WORLD-REnownED FACULTY
Clark’s small class sizes allow our students to connect one-on-one with accomplished scholars and practitioners, and provide countless opportunities to conduct in-depth research and work collaboratively to address global concerns.

CLARK STUDENTS REPRESENT GLOBAL DIVERSITY
With students from 45 states, 85 countries, and a wide range of socio-economic backgrounds, Clark is a diverse community where globally focused internships, research, and service programs enable students to make profound connections to the world beyond campus.

ROBUST COMMUNITY PARTNERSHIPS
Clark is redefining higher education for the 21st century by forging robust partnerships with universities, educators, and business and community leaders to break down boundaries between academia and society, more deeply attuning students’ learning experiences to the constant changes taking place in the world today.

ACADEMIC PROGRAMS THAT FIT INDUSTRY NEEDS
With 33 majors (including a student-designed option), 15 master’s degree programs, certificate programs, and 9 doctoral programs, Clark students are professionally prepared to thrive in roles of entrepreneurship, bioscience, management and consulting, GIS/geospatial analysis, government and international affairs, and technology.
95% of students complete a world & workplace experience by the time they graduate.

10:1 faculty-to-student ratio.

SERVICES FOR EMPLOYERS

Clark is an innovative, deeply engaged community. We offer employers a comprehensive menu of engagement opportunities and a customized approach to connecting with students, faculty, and campus organizations from all of Clark’s academic departments, both undergraduate and graduate.

RECRUIT ON CAMPUS
Whether you’d like to give a presentation, connect with faculty, host office hours, conduct mock interviews, or schedule on-campus interviews, we can reserve one of our three dedicated interview rooms, as well as facilitate and publicize your visit.

CONNECT WITH FACULTY & STUDENT ORGANIZATIONS
We can help you organize information sessions or meet with faculty or one of 130+student-led campus organizations.

96% of graduates are employed, accepted to graduate school, participating in a volunteer program, or serving in the military within six months of graduation.

ATTEND A FLAGSHIP EVENT
Clark hosts multiple fairs for employers to engage with students: the Career & Internship Fair in the fall, the Community Engagement & Internship Fair in the spring, and our annual Study Abroad Fair.

CONNECT VIRTUALLY
We can help you interact with students across distances and present your brand to the Clark community from the convenience of your office through virtual information sessions, workshops, and social media takeovers.

SCHEDULE A RÉSUMÉ DROP
Send us internship or job descriptions, application procedures, deadlines, and relevant information, and we will publicize your position, collect and forward applicant materials, and provide support in managing on-campus interviews.

Handshake is your one stop tool for posting internships, jobs, tracking applicants, and registering for career fairs and events. Get started by logging in or creating an account at the following URL, and connect with Clark University; https://www.joinhandshake.com/employers/

WORK WITH US TO BUILD A STRATEGY
We want to provide as many convenient, impactful opportunities for students to engage with employers as possible. Let us know what works for your organization, and we’ll work together to engage the right candidates for your positions, elevate your brand on campus, and connect you to faculty.

For information about any of the above services, contact our Director of Employer Engagement, Rosie Gallant, at rogallant@clarku.edu.
We believe in preparing our students to become active global citizens who are highly engaged in the communities in which they work and live, and who are dedicated to nurturing excellence in the next generation. This effort relies on the ambitions of students, dedication of faculty, and the commitment from alumni to perpetuate the mission of Clark University.
