## Federal Direct Loan Information

Clark University has chosen to participate exclusively in the William D. Ford Direct Loan Program for all Federal Stafford Subsidized and Unsubsidized Loans as well as the Federal PLUS and Grad PLUS Loan Programs. The goal of the University is to provide a stable and streamlined borrowing experience, consistent access to funding, competitive interest rates and repayment options, along with reliable customer service to our families. Borrowers will not need to select a specific lender as part of the process; the lender for the William D. Ford Direct Loan Program is the U.S. Department of Education.

- Consistent access to loan funds directly from the U.S. Department of Education

### Are there other resources where I can find additional information on the Federal Direct Loan Program?

Yes, the following are some reliable web sites offering information on the Federal Direct Loan Program:

### I have loans from other schools. Is there an easy way for me to keep track of my loan amounts and lenders?

The National Student Loan Data System (NSLDS) Student Access website ([www.nsls.ed.gov](http://www.nsls.ed.gov)) provides a central database for student aid and allows students access to view information from schools, guaranty agencies, the Direct Loan program, as well as other programs. Managing your debt and student loans is your responsibility and the NSLDS website is a critical tool in assisting you. You will need your U.S. Department of Education issued FSA ID to access the website.
